

**STREETS & ALLEYS COMMITTEE MEETING MINUTES (REVISED)**  
**JANUARY 16, 2007 – 7:00 P.M.**

Chairman Leyden called the meeting to order at 7:00 p.m. Committee members present were Aldermen Leyden, Logan, Szczap and Perkins. Also present were Mayor Nolan, Alderman Marzahl, City Administrator Nelson and Jim Kruckenberg.

**FY07/08 MFT Road Program**

The Committee met to prioritize street improvements for the FY07/08 MFT Road Program. Administrator Nelson reported that the City might be able to resurface more than originally anticipated because the price per linear foot may be cheaper than last year. The Staff recommends a list be compiled of around 3,000 ft. which is approximately 10 blocks. The road program can be bid in such a way that if the cost is too high, we can eliminate the less priority streets. The City is working with Smith Engineering for FY08/09 to resurface Ayer Street next year with brick crosswalks from five-points to Metzen St.

Moved by Logan, seconded by Perkins to recommend to the City Council the following street resurfacing improvements for the FY07/08 MFT Road Program prioritized as follows:

- |                             |         |
|-----------------------------|---------|
| 1. Thompson/Hutchinson/Ayer | 900 ft. |
| 2. Brainard/Ayer/Diggins    | 900 ft. |
| 3. Diggins/Brainard/Tracks  | 550 ft. |
| 4. Grant/Blackman/Brown     | 300 ft. |
| 5. Page/Brainard/Front      | 200 ft. |
| 6. Campbell/Washington/Park | 250 ft. |

All ayes. Motion carried.

**Curb Program**

Administrator Nelson indicated that two blocks can be improved and noted areas that staff/administration would like the Committee to be consider: Roosevelt/Jefferson/Garfield, Klamon/Hayes/Garfield and N. Galvin Parkway. Alderman Szczap reported a resident request to curb Blackman St./Fifth/Sixth because the area floods into the resident's yard. After discussion, the general consensus was for Administrator Nelson to mail the committee a map that shows all the areas without curbs for the Committee's consideration.

Moved by Logan, seconded by Perkins to adjourn the meeting. All ayes. Motion carried.
